BY SERIES SUPPLIES

ABSTRACT PAIR™

A Backlit Masterpiece with Seamless Elegance

Introducing the Abstract Pair Panel, a sophisticated backlit panel designed to bring a luminous, high-end aesthetic to feature walls. Crafted to allow light to pass through, this panel beautifully mimics the luxurious look of an onyx slab, creating a warm and elegant ambiance. Featuring **Bookmatch** and **Continuation** patterns, it ensures a seamless and visually striking design, adding depth and harmony to any space. Perfect for creating a statement wall, the Abstract Pair Panel combines artistry, illumination, and modern sophistication, elevating interiors with a radiant and timeless appeal.

Model No : AB-311 A/B/C/D

ABSTRACT PAIR™

Luminous Elegance with Acrylic Innovation

The Abstract Pair Panel is a stunning backlit feature panel designed to complement all types of interior concepts. With its ability to allow light to pass through, this panel beautifully replicates the elegance of an onyx slab, creating a luxurious and atmospheric glow. Whether your space is modern, classic, minimalist, or contemporary, the Abstract Pair Panel seamlessly integrates into any design, enhancing interiors with its Bookmatch and Continuation patterns. Perfect for residential and commercial spaces, this panel adds a touch of sophistication, making every wall a captivating focal
