

MDF CARVED PANEL COLLECTION

Where Texture Meets Elegance.

MDF CARVED PANEL™

Where Texture Meets Elegance

The MDF Carved Panel is a beautifully crafted solution for creating stunning and eye-catching feature walls. Measuring 1220mm x 2440mm x 15-18mm, each panel showcases intricate carved patterns that bring rich texture, depth, and dimension to any interior space. Finished with a smooth white base coating, the panel is ready for custom paint or finishing, allowing you to easily tailor it to your design vision. Perfect for both residential and commercial interiors, the MDF Carved Panel adds a touch of elegance, sophistication, and personality—transforming ordinary walls into captivating design statements.

MDF CARVED PANEL™

RESIDENTIAL APPLICATION

The MDF Carved Panel offers endless design possibilities, making it an ideal choice for enhancing various interior spaces with style and character. Its intricate patterns and refined finish bring depth and visual interest to any surface, transforming ordinary areas into captivating focal points. Use it as a TV feature wall to create a stunning backdrop that adds sophistication to your living space, or apply it to a decorative ceiling for a touch of texture and elegance overhead. The panel also works beautifully as a bar counter front, introducing pattern and personality to hospitality or home bar settings. For a stylish twist, incorporate it into wardrobe sliding doors, adding a custom designer touch that blends function with artistry.

Wardrobe Door

MDF CARVED PANEL™

COMMERCIAL APPLICATION

Ideal for commercial feature walls, it creates a strong design statement that draws attention and defines the space. As a decorative ceiling, it adds dimension and elegance, transforming plain overhead surfaces into striking design features. Used on a counter front, it provides a stylish and durable façade that elevates reception areas, cafés, or retail counters. When applied to a display wall, the carved patterns serve as an artistic backdrop that highlights products and enhances the overall ambience.

MDF CARVED PANEL™

PRODUCT DESCRIPTION

Product: MDF Carved Panel
Code: **V70-004**
Material: Medium density fibreboard
Backing: Melamine film
Finish: Matt White
Pattern: Repeat
(patterns will align continuously on uncut panels)
Dimension: 1220mm x 2440mm
Thickness: 15mm

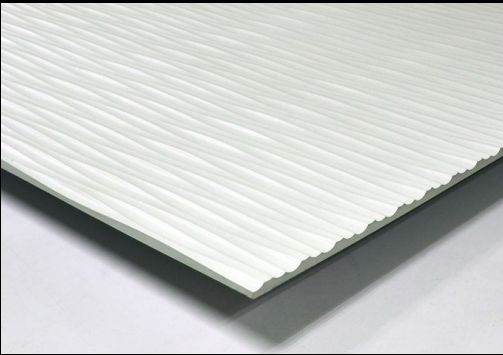

Panel View

PHYSICAL & MECHANICAL PROPERTIES OF MDF

Results of TUV SUD Technical Test Report:

Internal bonding strength: 0.89 Mpa
Static bonding strength: 36.3 Mpa
Bending modulus: 3420 Mpa
Resistance to screw withdrawal (surface): 1670 N
Resistance to screw withdrawal (side): 950 N
Thickness swelling: 11.7%
Moisture content: 6.4%
Density: 776 kg/m
Board density deviation: +7%, -1.3%
Formaldehyde emission content: 21mg/100g*
