WHERE LIGHT TRANSFORMS WALLS INTO ART

BY SERIES SUPPLIES

ABSTRACT PAIR™

A Backlit Masterpiece with Seamless Elegance

Introducing the Abstract Pair Panel, a sophisticated backlit panel designed to bring a luminous, high-end aesthetic to feature walls. Crafted to allow light to pass through, this panel beautifully mimics the luxurious look of an onyx slab, creating a warm and elegant ambiance. Featuring **Bookmatch** and **Continuation** patterns, it ensures a seamless and visually striking design, adding depth and harmony to any space. Perfect for creating a statement wall, the Abstract Pair Panel combines artistry, illumination, and modern sophistication, elevating interiors with a radiant and timeless appeal.

Model No : AB-316 A/B

ABSTRACT PAIR™

Always Impressive, With or Without Light

The Abstract Pair Backlit Panel is a versatile design feature that delivers striking visual impact with or without illumination. When paired with backlit lighting, it creates a dynamic play of depth and glow, enhancing any interior space with a sophisticated ambience. Even without backlighting, the panel's unique patterns and fine detailing stand out beautifully on their own—making it an elegant choice for feature walls, TV walls, or decorative applications. With its dual appeal, the Abstract Pair Backlit Panel offers timeless style and flexibility for modern interiors.

Model No : AB-303 A/B

Backlighting, Redefined

Slim Design. Brilliant Backlit Walls

The Abstract Pair Panel is now perfect for creating a stunning TV feature wall when paired with our Edge Lit Panel as the backing. This combination allows for a sleek, very thin panel design with an elegant backlit effect, adding depth, style, and a modern luxurious glow to your space.

Edge Lit Panel – Even Glow, Perfect Backing.

The **Edge Lit Panel**, measuring **W1200mm x H2400mm x T6mm**, is a precision-engineered lighting solution designed to evenly diffuse backlit illumination. With its ultra-slim 6mm thickness and edge-lighting technology, this panel ensures a consistent and uniform light distribution across the entire surface. Ideal for enhancing the visual impact of Soft Stone Translucent and Abstract Panels, it brings out the full depth, color, and texture of decorative materials. Whether used in interior design, architectural features, or artistic installations, this panel offers both functionality and aesthetic refinement.

ABSTRACT PAIR™

Model No : AB-301 A/B

Size : L2700mm X W1000mm X T2.7mm

Material : Acrylic

Surfaces : Glossy

Patterns : Bookmatch

Note :

Please note that due to the hot press printing process, there may be a slight variation in colour tone across panels. This is a natural result of the manufacturing technique and does not affect the quality or durability of the product. If you're considering backlit applications, we recommend speaking with our sales team to view the backlit effect in person before making your purchase. This will help ensure the final look meets your expectations. We appreciate your understanding and are happy to assist with any questions you may have.
