INTRODUCING THE FLUTED COLLECTION II : MIX AND MATCH DESIGN

Elevate your interior with Fluted Collection 2, a versatile and stylish wall panel series that allows you to mix and match different profile designs to create a unique feature wall. Designed for modern aesthetics, this collection offers a seamless blend of textures and patterns, letting you craft a statement piece that reflects your personal style. Whether you prefer a subtle, elegant look or a bold, dynamic design, Fluted Collection 2 provides the flexibility to customize your space with ease. Transform your walls with sophistication and creativity—your vision, your way!
TRIMMING BAR

The Fluted Collection II Bar Trimming is designed to provide a seamless and polished finish to your wall panel installations. Crafted for both functionality and aesthetics, it ensures that designs end neatly, enhancing the overall look of the fluted panels. With its refined detailing, the bar trimming not only adds durability but also elevates the sophistication of any interior space.

FLAT PANEL

The Fluted Collection II Flat Panel is designed to perfectly match the Fluted Collection II veneer finishes, offering a smooth and refined surface that complements the textured fluted panels. Its versatility allows you to mix and match with fluted profiles, creating a unique and dynamic feature wall that blends texture and depth effortlessly.
